**SHIPPING** — We request our customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions, we use our best judgment, but

without assuming responsibility. All shipments travel at risk and expense of purchaser. All shipments will be accompanied by State Certificate of Inspection.

**TRUCK SERVICE**—We are in a position to make deliveries with our own truck and also have access to some local delivery trucks for hire and can make deliveries unless prevented by Federal or State regulation laws.

*Forest and Shade Trees  
Ornamental Shrubs  
Evergreens and Roses*

LONG DISTANCE  
PHONE NO. 234-W

McMinnville, Tenn.

October 21, 1953

Gentlemen:

We are pleased to enclose herein a copy of our REVISED PRICE LIST FOR FALL 1953 DELIVERY.

As you no doubt know, there are many wholesale price lists mailed from the McMinnville and Warren County area. The fact you may not know is that much of the stock in a majority of these lists is collected stock and not nursery grown and is not listed as collected stock. This being the case, prices on many varieties of stock vary considerably on the same grade. Naturally, one can go out in the forests and mountains and "Pull" wild plants cheaper than we nurserymen can plant, cultivate, fertilize and dig nursery grown plants.

Legitimate nurserymen in McMinnville and Warren County are, through the cooperation of our able new state entomologist, H. L. Bruer, attempting to correct this dreadful situation which is detrimental to the nursery industry. However, it will take much time before an effective control of this unethical practice can be perfected.

We, the oldest nursery in this area, wish to assure you that all items listed in this enclosed price list are nursery grown and are graded in accordance with the Horticultural Grading Standards as adopted and prescribed by the American Association of Nurserymen.

Buy from us and be assured of receiving first class nursery grown stock which will delight your customers.

Very truly yours,

J. R. Boyd, President  
John T. Boyd, Vice-President  
H. B. Stubblefield, Supt.

P. S. Incidentally, should you be interested in purchasing native collected stock, which cannot be secured in nursery grown material, write us and we shall be most happy to offer attractive quotations. The difference being—our collected stock will be quoted as collected stock at collected stock prices.
